Howdy Folks,

Its been a few years since sending out a newsletter like this and I realize if you live outside the US, most of this will not apply to you.

The insanity of people amazes me. A quote I once read went like this, 'The only thing we learned from history is that we didn't learn anything from history.'

Another quote is, 'Those who give up their freedom for security~~will have neither.'

#### TODAY'S LESSON IN IRONY

The food stamp program is administered by the U.S. department of agriculture. They proudly report that they distribute free meals and food stamps to over 46 million people on an annual basis.

Meanwhile, the National Park Service, run by the U.S. Department of the Interior, asks us, "Please do not feed the animals". Their stated reason for this policy being that..

"The animals will grow dependent on the handouts, and then they will never learn to take care of themselves."

For those of you who read to the end, I have some hints for you.....

Police protection is an oxymoron: Free citizens must protect themselves because police do not protect you from crime; they just investigate the crime after it happens and then call someone in to clean up the mess.

#### A LITTLE GUN HISTORY

- PLEASE DON'T THINK FOR A MOMENT, THAT THIS COULDN'T HAPPEN IN OUR COUNTRY ALSO !!!!!
- In 1929, the Soviet Union established gun control:
- From 1929 to 1953, about 20 million dissidents, unable to defend themselves, were rounded up and exterminated.

-----

In 1911, Turkey established gun control:

- From 1915 to 1917, 1.5 million Armenians, unable to defend themselves, were rounded up and exterminated.

**Germany established gun control in 1938:**

**From 1939 to 1945, a total of 13 million Jews and others who were unable to defend themselves were rounded up and exterminated.**

-----

**China established gun control in 1935: From 1948 to**

- **1952, 20 million political dissidents, unable to defend themselves, were rounded up and exterminated.**

-----

**Guatemala established gun control in 1964:**

- **From 1964 to 1981, 100,000 Mayan Indians, unable to defend themselves, were rounded up and exterminated.**

-----

-----

**56 million defenseless people were rounded up and exterminated in the 20th Century because of gun control.**

-----

**You won't see this data on the US evening news, or hear politicians disseminating this information.**

- **Guns in the hands of honest citizens save lives and property and, yes, gun-control laws adversely affect only the law-abiding citizens.**

**With guns, we are 'citizens'; without them, we are 'subjects'.**

**During WW II, the Japanese decided not to invade America because they knew most Americans were ARMED!**

- **Gun owners in the USA are the largest armed forces in the World!**

**Mahatma Gandhi wrote in his book, An Autobiography (page 446):**

**Among the many misdeeds of the British rule in India, history will look upon the Act depriving a whole nation of arms, as the blackest ... if we want to learn the use of arms, here is a golden opportunity.**

- **SWITZERLAND ISSUES A GUN TO EVERY HOUSEHOLD! SWITZERLAND 'S GOVERNMENT ISSUES AND TRAINS EVERY ADULT IN THE USE OF A RIFLE.**

- **SWITZERLAND HAS THE LOWEST GUN RELATED CRIME RATE OF ANY CIVILIZED COUNTRY IN THE WORLD!!!**

**Now for all you gentle folks who shouldn't own a gun because you wouldn't use it, let me offer a suggestion.**

**Buy a can of wasp and hornet spray for every room in your house and one at each outside door and 2 for your car. Put one in each front door pocket.**

**This stuff will shoot 27 ft., is legal and it will blind an attacker, or several of them if you are fast enough.**

**Ok, you may live in a state that protects criminals rather than victims so you are wondering about the legal problems if you do this.**

**I suggest you also consider the physical problems if you don't.**

**To send out a message to anyone who might consider assaulting you:**

**Hang an Army camo jacket on the back of your car seat. Put a camo cap on the dash of your car. Put an empty ammo box and or used shotgun shells in the back window, dash or seat of your vehicle. To my knowledge there are no laws against empty shells and boxes.**

**To those who believe and understand, no explanation is necessary.**

**To those who don't, no explanation is possible.**
